This collection of tables is defined by its aluminium structure and a clean, contemporary design. With balanced proportions and refined lines, the Maia tables embody the essential elegance characteristic of Kettal's design language. Designed to suit both outdoor and indoor spaces, they combine functionality, durability, and timeless aesthetics.

Maintenance

Clean with mild soap using a sponge or cloth. Be gentle during the cleaning process; avoid aggressive scrubbing of the fabric. After cleaning, ensure you remove any excess soap.

For stubborn stains, use diluted household bleach. Act promptly to clean stains; the longer they linger, the more challenging they become to remove.

After cleaning, steam iron the fabric using only steam. Be cautious not to place the iron directly on the fabric, as it may cause damage.
