1/2

Giro is a collection which can blend into interiors and exteriors due to its tactility and pure lines. In Giro, we have some variety of shapes, textures and materials (see the difference between the seating items and the coffee and side tables). And still all the items merge harmoniously together to create a warm, tactile and pleasant atmosphere.

Maintenance

We suggest to treat our Giro
Side table as a product made
of natural stone or marble. We
suggest not to use:
Abrasive sponges, Corrosive
detergents, Limescale removers,
Bleach (if in solution > 10%),
Ammonia (if in solution > 10%),
Vinegar, Abrasive pastes.

The quick removal of
stains guarantees a better
maintenance of the products.
